Learning to Be People of the Book

Why don't we read the Bible?

- It's hard.
- It's boring.
- I don't have time.

Bible 101 is meant to teach us how to read the Bible for _____.

There are three places we can get wisdom:

1. _____. But this is limited by age and sin.
2. _____. But your podcast is not your pastor.
3. _____. The Bible is his written Word for us!

The only way to know God intimately is through Scripture.

Six things we need:

- 1.
- 2.
- 3.
- 4.
- 5.
- 6.

How we can do this:

Prayer. Ask: "Father, I need you. I want to see the glory of God in Jesus today. I ask for the Spirit to lead me and teach me through your Word today." *Remember:* Include all three members of the Trinity.

Observation. Ask: Who is speaking? What are they saying? What is going on? Where are they? Is anything repeated? Does anything jump out at you?

Interpretation. Ask: What does it mean? Okay, so what? *Remember:* Let Scripture interpret Scripture.

Application. Ask: What should I do? Now what? *Remember:* This is a time to be painfully specific.

Let's try this! You can continue your notes on the back as we take a look at Colossians 1, Psalm 25, and Proverbs for the day.
